MuseumNext®

DIGITAL SUMMIT 2027

SPONSORSHIP

22 - 23 March 2027

WE BRING TOGETHER A GLOBAL AUDIENCE OF MUSEUM THINKERS TO ASK 'WHAT'S NEXT'

Over the past decade MuseumNext has become established as the go to event for those working within the international museum sector.

MuseumNext®

Digital Summit

MuseumNext brings together the most inspiring museum thinkers on the planet for virtual events that highlight the ideas, projects and trends that are shaping the museum of tomorrow.

In March the MuseumNext Digital Summit returns with two days dedicated to the digital side of museums. This event is always popular, with presentations sharing the latest digital projects from leading institutions.

As conference sponsors you'll be highlighting the important role that your company plays in the museum sector.

WHAT SPONSORS GET...

REACH

MuseumNext can help you to reach an international audience with an interest in the digital side of museums.

SHOWCASE

With thirteen years under our belts, we know how to highlight our partners before, during and after the event.

RECOGNITION

Our Gold sponsorship package gives you the opportunity to speak at the conference. Highlighting your role as thought-leaders in the sector.

MuseumNext®

WHAT DELEGATES SAY...

Really interesting, engaging and easy to access.

Interesting, valuable content, very efficiently and professionally organised, relevant and inspiring

I am such a fan of the MuseumNext summits - they are incredibly well organized and consistently filled with interesting ideas and engaging presentations

If you want to know what is actually going on in the museums worldwide, do not miss it.

A deeply valuable and stimulating experience.

For a refreshing and international conference that will broaden your mind these events are hard to better!

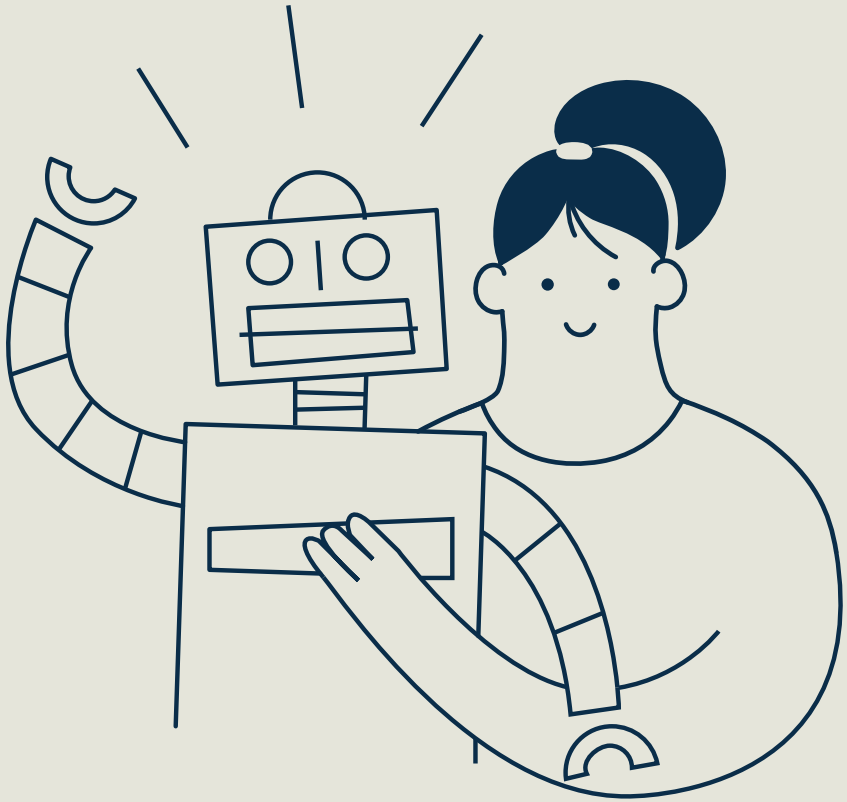

MuseumNext®

UNMISSABLE...

The MuseumNext Digital Summit attracts delegates from around the globe with more than 2,000 people watching our 2026 event either live or on-demand.

Our reach far exceeds this with more than 35,000 people on our mailing list and a strong presence on LinkedIn, Facebook and Instragram.
